Documents requested during Clark deposition**

Dear Nelson:

I have attached hereto a summary of the documents that you and Mr. Clark agreed to produce during Clark’s deposition. Because our hearing date is fast approaching, I need these documents and the other documents that you indicated that you would be producing by the end of this month. We previously told the Court that we would complete our document production in January. If I cannot get all of these documents from you by the end of this month, I will have to ask the Court for an order compelling the production of those documents prior to our preliminary injunction hearing.

Thank you in advance for your cooperation. If you have any questions, you can call me at (334) 821-0600.

Sincerely,

Raymond L. Jackson, Jr.
